REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

It is noted that applicant elected, on November 10, 2004, the species shown in Figure 7.

With respect to U.S. Patent Nos. 4,611,966 and 5,706,946, it is noted that each of these references do not show "three" panels, as required in line 3 of claim 9.

With respect to U.S. Patent No. 4,568,234, it is noted that although this reference shows lower vertical sidewalls of two sets of protrusions being higher or lower than one another (see Figure 11), this reference does not show "three vertical panels" as required by claim 9.

With respect to U.S. Patent Nos. 2,338,290, 4,733,781, 4,969,560, and 5,332,105, it is noted that while each of these references shows "three panels" each having protrusions and slots, the panels are not "vertical" nor are the panels attached on "one surface" of a support panel, as required in claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
